

CASS MR BLANC 2017

Tasting Notes

The bouquet boasts aromas of golden apple, pressed papaya, poached pineapple and tapioca custard. Soft acidity and subtle minerality generate a multidimensional palate offering notes of lemon marmalade, Mandarin zest, ripe kiwi and Clove honey. The polished, lasting finish creates the perfect counterpart to an array of cuisine. Enjoy Now.

WINEMAKING

Aiming to preserve the intense fruit and aromatics of the variety, the Marsanne, Roussanne and Viognier were fermented and aged in 100% stainless steel. Hand-picked in the early morning, the cold grapes were pressed within moments after coming off the vine. Following juice settling, a long, cold fermentation commenced. Malolactic fermentation was inhibited to preserve acidity, keeping the wine fresh and crisp. Approachable, food friendly and polished.

Composition: 13.9% alcohol
50% Marsanne, 33% Roussanne, 624 cases produced
17% Viognier

Accolades

Competition

2018
DOUBLE GOLD
Denver
International Wine
Competition

CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones.

We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils.

Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
