

# CASS Oasis Rosé 2017

## Tasting Notes

The color is an alluring rosy gold hue and the nose detects fragrances of white raspberry, blood orange zest, honeydew melon and rose petal. Juicy acidity keeps the palate fresh and light while structured tones of pink grapefruit, tangerine twist, tart strawberry and a hint of cream take the lead. The lingering finish is layered, boasting flavors of wild cherry, sweet spearmint and icy peach sorbet.

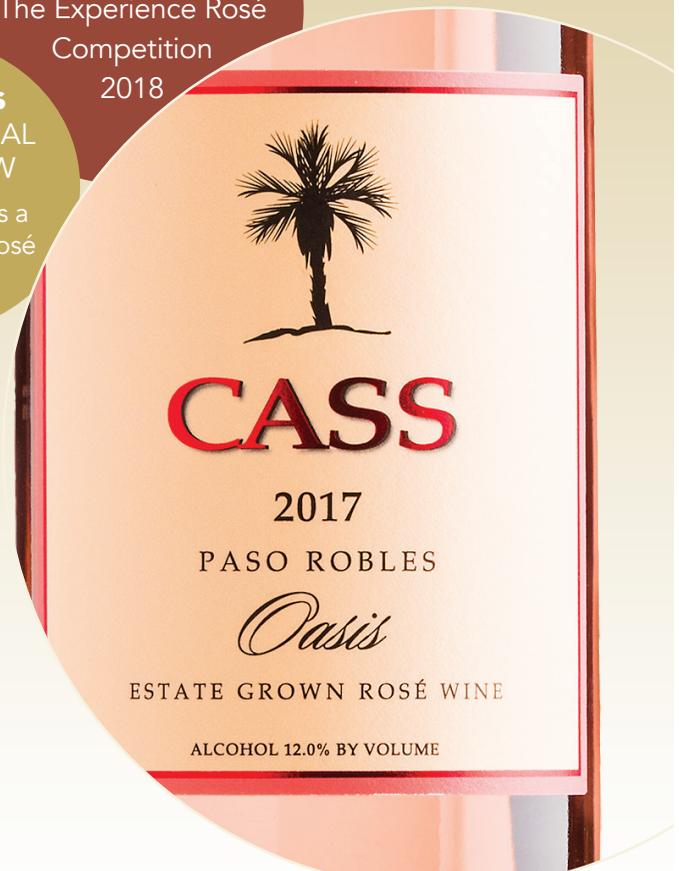

## Accolades

**96** Points  
**Gold Medal**

The Experience Rosé  
Competition  
2018

**90** Points  
INTERNATIONAL  
WINE REVIEW

"CASS Winery is a  
Top Grenache Rosé  
Producer."

## WINEMAKING

Our winemaker uses direct press method to produce this Provençal style, dry Rosé. Hand-picked in the early morning, the cold grapes were pressed within moments after coming off the vine. Malolactic fermentation was inhibited to preserve acidity, keeping the wine fresh and crisp.

Composition:

60% Mourvèdre,

39% Grenache, 1% Syrah

Alcohol: 12%

Production: 500 cases produced

## CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones. We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils. Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
