

# CASS Rockin' One Red 2015

## Tasting Notes

Mourvèdre captures the lead of this enchanted blend, followed by Grenache, Syrah, and Petit Syrah. Dark fruit abounds, surrendering blueberry brush, blackberry glaze and fleshy plum. Qualities of caramelized bacon, smoky cinders, orange oil and briar spice are nestled by ultra-fine tannin and juicy acidity. The finish is neatly knit with threads of wild raspberry, hazelnut coffee, cracked white pepper and the lightest wisp of mint sprig.

## WINEMAKING

Picked throughout September and October, the grapes were fermented into 5-ton open top fermenters and pumped over multiple times per day to achieve maximum extraction. Aged for 22 months in French oak and American oak. During the last 12 months of barrel aging, the blending components were aged together in oak. During the first 10 months they were aged separately by variety.

## Accolades

2018  
**GOLD MEDAL**  
Central Coast Wine  
Competition

**91**  
points  
VINOUS

Composition: 39% Mourvèdre,  
31% Grenache, 20% Syrah, 10% Petite Sirah  
Alcohol: 14.5%  
pH: 3.76 TA: 7.1g/L

Aging: 22 months in French Oak  
Production: 800 cases produced

## CASS VINEYARD

Our DNA is from France...In 2000, we planted wine grape clones certified by ENTAV, the agency that is responsible for certification of wine grape clones in France. Cass Vineyard was among the first vineyards in California to be planted entirely to ENTAV certified clones.

We have 11 varietals on 145 acres, including seven Rhône varietals as well as four big red Bordeaux varietals.

The Cass Estate Vineyard, located southeast of the town of Paso Robles, exemplifies the quality of the Paso Robles region with its warm days, cool coastal breezes, and exceptional soils. Deposited over centuries, the diverse alluvial soils make for an expressive site that produces fruit of incredible quality. A long growing season of warm days and cool evenings give rise to vibrantly ripened fruit with dynamic flavor profiles that translate beautifully in your glass.
